List \$39.90

**FLY FOGGER / SPRAYER**

This 12 volt system lets you fog or straight stream your choice of fly sprays. Use with premix products or concentrates that mix with your choice of carrier. The pump delivers up to 1 gpm at a maximum 225 psi. An adjustable relief valve lets the operator decide the pressure from 0-225 psi. The unit comes with a 6 gallon tank and 18" spray gun with quick couplers to a 30 ft. hose to let you move about with ease. A 15 ft. wiring harness with battery clips lets you hook to a vehicle battery or to a deep cycle marine battery. This versatile sprayer is used for livestock on pasture, in feedlots, confinement, dairy barns, manure pits, bunklines, or anywhere flies are a problem. Battery not included. The unit may be used as a weed sprayer also.

**500 FS006 6 Gal Fly Sprayer \$685.00**

500 FS006

**Shurflo** rechargeable electric backpack sprayer eliminates the need for the operator to "pump up" the sprayer to maintain pressure. Will spray up to 120 gallons in a single charge. The micro-processor regulates pump speed for constant spray at 4 different speed settings.

**SRS-600 4 gallon electric rechargeable sprayer \$223.50**

SRS540
